5. Disclaimer

The terminal part of the statutory term of any patent granted on the present application identified above, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of copending U.S. patent application **Serial No. 10/586,226**, as presently shortened by any terminal disclaimer, is hereby disclaimed, except as provided below, and it is agreed that any patent so granted on the present application shall be enforceable only for, and during, such period that the legal title to the patent granted on the present application shall be the same as the legal title to the specified patent, this agreement to run with any patent granted on the present application and to be binding upon the grantee, its successors, and assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the present application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the patent specified herein in the event that the latter patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or is terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued in any matter, or is terminated prior to expiration of its

full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title identified above.

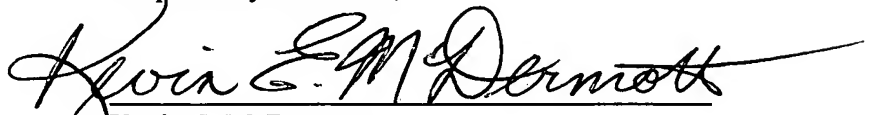

6. Fee status

Please charge the \$130.00 fee set forth under 37 CFR 1.20(d) for a Terminal Disclaimer filed by a small entity and any additional fees to deposit Account No. 08-2461. A duplicate of this transmittal is attached.

7. Declaration

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
